Dear Parents & Guardians:

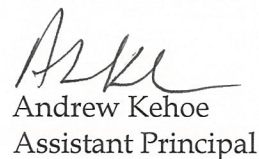

As we begin to close out the school year and prepare for summer, our records indicate that there are a number of students with outstanding debt. Students who have outstanding fines are at risk from being withdrawn from the eighth grade promotion exercises. In addition, all students with outstanding fines will be unable to retrieve their grades and upcoming schedules from Genesis.

Please speak with your child and check your Genesis parent portal to confirm whether he/she has any fines that are due. If your child does have any outstanding debts, please make your payment promptly. Students can accrue fines for the cafeteria, lost or stolen library books, gym locks, textbooks and iPad-related breakages or losses.

If you have questions or need assistance processing your students' fine payment, please contact the appropriate staff member, listed below for your convenience. Thank you for reviewing fines and settling any outstanding students' fines your collaboration and support is appreciated. to be worn by students.
